

# CAMPUS ANGELS NETWORK

EMPOWERING INNOVATORS  
FUELING DREAMS

## 01 WHO WE ARE

### Campus Angels Network (CAN)

is a vibrant community of angel investors dedicated to nurturing and funding early-stage startups emerging from university campuses across India. Our mission is to foster innovation, support visionary entrepreneurs, and drive the next wave of groundbreaking businesses.

## 02 OUR COMMITMENT

At **CAN**, we believe in the **power of collaboration and strategic investment**. We are committed to:

**Identifying Talent:** Scouting for the brightest minds and revolutionary ideas on university campuses.

**Investing Wisely:** Providing strategic mentorship and financial support to transform innovative concepts into thriving businesses.

**Building Networks:** Creating a vibrant community where entrepreneurs, investors, and industry experts collaborate for mutual growth.

## 03 WHY JOIN CAN?

### Diversify Your Portfolio:

Explore investment opportunities in a unique asset class with the potential for high returns.

### Support Innovation:

Be a part of the journey of cutting-edge startups, contributing to the growth of the Indian startup ecosystem.

### Strategic Networking:

Connect with like-minded individuals, industry leaders, and budding entrepreneurs, expanding your professional network.
